

T5

linear RANGE

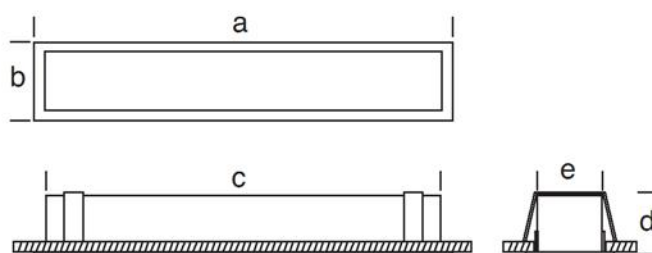

linear Plaster Recess

Linear Plaster Recess has been designed by the LimeLite team to give clients another option for plaster ceilings where neat clean lines and clutter free ceilings are required.

With the T5 Technology in lamps the Linear P can equal 2 x 36w T8 output with a 54w T5 but a Third of the size.

Also available:

■ Dimming (Order eg. LIN P 28T5. DSI or DALI)

LINEAR PLASTER RECESS
